What is this type of insurance?

This insurance provides cover in the event of a total loss for the difference in the settlement you receive from your motor insurance and the cost of replacing your motor vehicle or an equivalent vehicle if your model is not available, or the difference between the settlement from your motor insurance and the original purchase price or the amount outstanding on your finance agreement.

What is insured?

- ✓ In the event of the total loss of the insured vehicle after the start date and before the end date we will pay a maximum benefit equal to the difference between your motor insurance settlement and the invoice price of the insured vehicle, or if greater, the amount you require to pay your early settlement amount.
- ✓ Any motor insurance policy excess up to £250.00.
- ✓ You may also at any time transfer any remaining duration of your policy due to any further change of insured vehicle, provided that any replacement insured vehicle does not exceed the current price banding of the original insured vehicle subject to the terms, conditions and eligibility criteria within this policy.

What is not insured?

- ✗ Any claim that is not a total loss.
- ✗ Any insured vehicle not listed and valued in Glass' Guide, commercial vehicles over 3.5t, emergency vehicles, taxis, driving school vehicles, buses, scooters, motorcycles, invalid carriers or any vehicle which has been modified, other than in accordance with manufacturer's specifications, and any vehicle not built for principle sale in the UK or that has been modified in anyway.
- ✗ Any vehicle where this policy has not been purchased within 90 days of taking ownership of the vehicle.
- ✗ Any insured vehicle which is owned temporarily or otherwise as a result of a trade-in or acquisition for the purposes of resale, by a business formed for the purposes of selling or servicing motor vehicles or any insured vehicle which is used for competition, racing, pace making, hire or reward, off road use.
- ✗ Any excess deducted on your motor insurance policy above £250.
- ✗ Any theft or malicious damage claim which is not accompanied by a valid and substantiated crime reference number.
- ✗ Additional costs within the settlement of the finance agreement for anything other than the purchase of your insured vehicle, or any additional options unless they are listed on the vehicle manufacturer's original specification.
- ✗ Any finance carried across on to your insured vehicle from previous finance arrangements.
- ✗ Any maintenance element of monthly payment in respect of your finance agreement.
- ✗ Any vehicle that has a purchase price or P11D value of less than £5000 or over £100,000.
